The Dairy Produce Committee of the Royal Bath and West Show feels that in these times of great change, it is important to recognise those who have made a significant contribution to the cheese industry through their involvement in production, research, organisation, education, training and marketing.

This Annual Award is a way of expressing gratitude to dedicated people who may have given a lifetime of effort or made a serious impact as the result of a single innovative idea.

1. Open to an individual involved in the British Cheese industry based in the UK.
2. Candidate to have been recognised to have made a significant contribution to the cheese industry during his or her lifetime.
3. The candidate must be nominated by a person from a separate company or organisation.

The award will be judged by a panel in May and the presentation of the Trophy will be made at the British Cheese Awards Dinner during the Royal Bath & West Show on Wednesday 29 May 2019.

Nominations to be returned by 3 May 2019 to: show.support@bathandwest.co.uk
